LEADERSHIP

The Ohio State University, Columbus, Ohio: August 2020 – Present
Resident Advisor
- Served as a role model to first-year college students
- Communicated with coworkers and senior staff to enforce university policies
- Fostered an environment of wellness and community through engaging programs

WORK EXPERIENCE

Battelle, Columbus, Ohio: June 2020 – August 2020
Safety Officer, CCDS Decontamination Technician
- Cooperated with coworkers to decontaminate N-95 masks
- Informed employees of safety procedures and standards and enforced safe behavior
- Worked an 84-hour workweek in Louisville, KY for 6 weeks

PROJECTS

remiwolf.com
  Collaborated with another student contracted by a major music label to develop a Shopify theme for the website and merchandise store of artist Remi Wolf.

Professional Website & Portfolio: isaacmattern.com
  Includes personal projects showcasing my knowledge of different industry technologies.

ACTIVITIES

Artificial Intelligence Club
  Meet with other Ohio State students to explore different AI topics. The club frequently hosts guest speakers from companies which employ machine learning techniques.
